WPI06
Antique Brass
H: 33 IN
W: 65 IN
D: 2.5 IN

The radial patterns of the Art Deco and Hollywood Regency periods informed our oversized bronze brass clad sunburst. Designed to be displayed in multiples, this accessory can be mirrored over a sofa or mantle or even substituted for a headboard. Dynamic in scale, the free-form silhouette can be hung facing all four directions. Designed with a back cleat for secure placement. Hanging hardware included. Finish will vary.
