HOWLAN LAMP

17840-214
H: 30.5 IN, Dia: 19.00 IN
Blue Heather Ceramic
Contract Suitable As Is

This lamp is a testament to artisan expression and traditional techniques. A simple ceramic foundation showcases a tapered silhouette that recalls mid-century style. The center is met with a blue heather finish that gathers and disperses in a dictated pattern, which was inspired by a Japanese dyeing technique called shibori. The cool hues make this a great addition to coastal spaces. Topped with an off-white linen drum shade with off-white cotton lining and a matching metal finial. Finish will vary.
