KOSTA HURRICANE

2105
H: 11 IN, Dia: 12.50 IN
Clear
Contract Suitable As Is

Even without light, this elegant hurricane has a glow about it. Reflecting any light source nearby, the intricate crackled glass texture is made from a rapid cooling process after the form is created. The tapered silhouette adds to its sophistication — and so does the hammered iron base, which is finished in a warm bronze. Just add a pillar candle and this piece is ready to light up a space. Hammering and crackle finishes will vary.
