Carolina Blue Etched Crackle Terracotta
Contract Suitable As Is

A rich texture is exhibited on this large-scale terra cotta lamp, created by the hands of skilled artisans. After the form is shaped, the terracotta is combed to create a tribal-inspired etched pattern. The Carolina Blue glaze adds to the textural contrast and has a slight crackling where the etchings are absent. Topped with an off-white microfiber shade with an off-white cotton shade and a matching terracotta finial. Finish will vary.
