

ARTERIOS

GIOVANNI DRINK TABLE

4904

H: 22 IN, W: 11 IN, D: 11 IN

Light Gray

Contract Recommendations: Adding a lacquer coating provides additional protection

Natural stone requires periodic sealing

The Giovanni explores the transformation of structural art into a functional foundation. Composed of mixed materials, a light gray sand blasted marble base both visually and physically anchors a sleek blackened iron table. Its minimalist profile presents sharp angles and clean lines that lend a defining element to this piece. A great addition to most modern spaces.
