H: 52 IN, W: 35 IN, D: 2.5 IN
Burnt Iron
Contract Suitable As Is

Large iron discs undergo an intensive process to get their interesting oxidized look, before playfully framing the iron that surrounds the beveled glass of this unique piece. Each disc is hand cut, forming raw edges, then given an oxidized finish with a chemical and fire technique. This free-hand artistry creates a deeply industrial piece with transcending style. Security cleat hanging hardware allows for vertical or horizontal display. Finish will vary.
