GERARD ENTRY TABLE

Contract Suitable As Is

This showstopper of an entry table will have guests puzzled by its beauty. Its top is trimmed with wildly organic edges that transform the piece from elemental to essential. The oak base has been finished in a matte ebony and provides a striking contrast to the sheen of the charcoal-finished cerejeira veneer top, further elevating its fine furniture status. Add a few accent pieces to emphasize its unique character, though it is a statement piece on its own.
