Satin Walnut

Contract Suitable As Is

The modular concept of this end table delivers a defining element to a space. C-shaped construction features a satin walnut on oak veneer finish that hones in on natural textures, but in a more visual and less tactile way. A black gloss lacquer finishes the table top while its nearly hidden base completes the look with a black wood finish for a contemporary contrast to its mid-century appeal. The Geron is structural, functional art for modern spaces.
