

ROANOKE FIREPLACE TOOL SET

6952
H: 32.5 IN, W: 12 IN, D: 6 IN
Blackened Iron
Contract Suitable As Is

Designed with a graphic sensibility, this set of blackened iron fireplace tools is impactful, in its striking form and high-contrast materials. The set includes a C-stand constructed of blackened iron, slotted to hold a brush, blow poker, and a shovel. Each tool features a faceted picture-frame-style handle made from aluminum, finished in antique brass.
