## GLENDALE LINEAR CHANDELIER

89486  
 H: 11 IN, W: 42 IN, D: 12 IN  
 Bronze, Antique Brass  
 Contract Suitable As Is

An exploration of linear design, the all-metal Glendale showcases a modern, masculine profile, featuring a shade crafted of steel bronze that circumnavigates six glass globes. Antique brass banding trims the top and bottom of the shade, with an added element of contrasting rivets. An acrylic glass diffuser sets the mood by softly muting the light and creating a warm glow. Makes a striking statement in any setting; we envision the piece over a billiards table. Additional pipe available (PIPE-457). Damp rated, though limited outdoor conditions may affect finish. Damp-rated, although limited covered outdoor areas may affect finish.
