KELSO SCULPTURE

9123
H: 13.5 IN, W: 8 IN, D: 4 IN
Charcoal
Contract Suitable As Is

Inspired by modern sculptures of the Mid-19th Century, this uniquely symmetrical piece is molded with modern curves and appeal. It is made from charcoal ricestone, known for rich textures that vary naturally with each piece. The structure stands on a steel base in an antiqued brass finish. Though it stands beautifully on its own, it lends an even bolder statement when paired with its companion, the Kenly Sculpture. Ricestone will vary.

APPEARANCE
