

RAI PENDANT

49523
Antique Brass
H: 18 IN
Dia: 6.50 IN

As a singular accent or lined up in multiples, the lithe Rai pendant is an elegant illuminator. The streamlined piece is designed with an alabaster cone shade that casts a soft glow. A shade canopy, in antique-brass-finished steel, mimic the pendant's cone-shaped shade. Finish will vary. Damp-rated, although limited covered outdoor areas may affect finish.
