

HORATIO FLOOR LAMP

75005-694

Palm Gray Rattan

H: 71.5 IN

Dia: 23.00 IN

In a tangle of palm gray rattan, the Horatio floor lamp looks to nature for inspiration—specifically, the birds' nest. The lamp's loose-basket-weave base is perched on palm gray rattan wrapped base and is accented with an antique brass spherical finial. An off-white drum shade lined in white cotton tops the piece. Finish will vary.
