

SIMPSON FLOOR LAMP

79845-710
 Antique Brass
 H: 70 IN
 W: 15.5 IN
 D: 30.5 IN

A traditional task lamp silhouette is updated with an industrial edge. Steel in an antique brass finish constructs the pipe-like body of the Sampson floor lamp. The lamp is detailed with knurled joint accents on the touch points and base. The piece is topped with an off-white tapered linen shade lined in off-white cotton.
