

VINCENT SOFA INK LEATHER

The inspiration for this settee comes from a vintage Parisian find, adored for its unique shape and traditional styling. Though slightly updated, it stays true to the fanciful air of its predecessor, with welting details that accentuate the curves. It's built a bit longer than a traditional settee and the back cushions are made just a little smaller than the seat cushions-which have a split seam-in order to create a playful imbalance. Sits on dark walnut finished maple wood legs.
